WS 6 – Find the nearest “sh” word and draw lines!/Unit 2 – Easy cheesy

Kopier-mal!

A collection of 18 triangular cards, each with a word written on it. The words are: fish, trish, soda, cash, soup, ship, sing, ship, shake, shell, sit, snake, shine, mash, show, shirt, wash, shoe, t-shirt, and school. A large grey arrow pointing downwards is labeled 'START'. The cards are scattered across the page, and the task is to connect each word to its nearest word containing the letters 'sh'.
